Topic 4: How to Really Help the Cause

Go to the website: http://thinkbeforeyoupink.org/?page_id=8 and answer the questions below.

1) Explore the section “Campaigns”. Choose four different campaigns and write two things that are important to remember about each of these campaigns (like why the product is bad for the health, how they manage the profits...). Go over the information and make sure that you have enough information to fill out this table. The goal here is to have a general overview of different campaigns. You do not need to read everything.
